Kalena Caruthers is a junior and a member of the indoor volleyball team that comes from Lake Jackson, Texas. She has totaled 239 kills, 59 digs and 61 total blocks thus far in her career as a Warhawk playing as a right side.

What won Caruthers over to play for ULM was that during her junior year of high school, she suffered a knee injury and in spite of that ULM kept a vested interest in her.

One of Caruthers favorite things about ULM is that it's a small close knit campus where she can be a person and not just a number, where the teachers know her for who she is and not just another student.

Caruthers is a risk management major and acquired an internship at AmWINS Whole Sale Brokerage over the summer to gain experience towards her goal of being a Surplus Lines Wholesale Broker.

DID YOU KNOW

-Caruthers dad supposedly made her left handed. As a kid, Caruthers said that (as seen on some home videos) she would try to pick something up with her right hand but her dad would make her pick it up with her left hand. Now she's left hand dominant in everything.

-Caruthers is a Cheetah Girl fan.

ADVICE

Life is all about networking. Get to know as many people as you can, be positive towards other people and do what you can to help others as much as you can. Because you never know when you might need their help.
